Dear Decision Makers,

Thank you for the correspondence on behalf of the Director General of Immigration, I have given further consideration to the information the Decision Maker has directed my attention to in your email below which was helpful.

I agree with the interpretation of the Decision Maker, for the Director of Immigration records please see attached my letter to the Director General of Investment Promotion yesterday marked as **AMG 9552c** (attached) which is self-explanatory.

Government announces details of new Capital Investment Entrant Scheme

The Government announced today (December 19) the details of the new Capital Investment Entrant Scheme (CIES).

Announcing the details of the new CIES at a press briefing, the Secretary for Financial Services and the Treasury, Mr Christopher Hui, noted the 2023-24 Budget set out that a new CIES would be introduced with a view to further enriching the talent pool and attracting more new capital to Hong Kong.

Mr Hui said, "The Policy Statement on Developing Family Office Businesses in Hong Kong, issued by the Financial Services and the Treasury Bureau in March, identified the new CIES as one of the eight policy measures to promote the growth of family offices, with the aim of attracting asset owners to set up in Hong Kong and tap into the diverse investment opportunities in Hong Kong by deploying and managing their wealth.

"The new CIES would help strengthen the development of the asset and wealth management, financial and related professional service sectors in Hong Kong, and bring more business opportunities and high-quality job prospects to all segments of the industry's service chain."

The new CIES will accept applications from eligible persons aged 18 or above (including foreign nationals, Chinese nationals who have obtained permanent resident status in a foreign country, Macao Special Administrative Region residents and Chinese residents of Taiwan). An applicant must demonstrate that he/she has net assets of not less than HK\$30 million to which he/she is absolutely beneficially entitled throughout the two years preceding the application. An applicant must make an investment of a minimum of HK\$30 million in the permissible investment assets, including investing a minimum of HK\$27 million in the permissible financial assets and non-residential real estate (at Annex), and placing HK\$3 million into a new CIES Investment Portfolio. The Portfolio will be set up and managed by the Hong Kong Investment Corporation Limited to make investments in companies/projects with a Hong Kong nexus, with a view to supporting the development of innovation and technology industries and other strategic industries that are beneficial to the long-term development of Hong Kong's economy.

A successful applicant may bring his/her dependants (including spouse and unmarried dependent children aged under 18 years) to Hong Kong. Permission to stay will normally be granted to the applicant and his/her dependants for not more than two years. Upon expiry of the two-year period, they may apply for an extension of stay for not more than three years, and may subsequently apply for further extensions of stay for not more than three years upon the expiry of each three-year period. They may, upon a period of continuous ordinary residence in Hong Kong of not less than seven years, apply to become Hong Kong permanent residents in accordance with the law. If an applicant is unable to fulfil the continuous ordinary residence requirement, while continuously satisfying the financial requirements under the new CIES for not less than seven years, he/she may apply for an unconditional stay in Hong Kong. If the application is approved, the applicant will be free to dispose of the invested assets.

As announced in "The Chief Executive's 2023 Policy Address", a mechanism will be introduced for suspension of payment of Buyer's Stamp Duty and New Residential Stamp Duty for incoming talent's acquisition of residential property in Hong Kong (Suspension Mechanism). The Government will make legislative amendments for the Suspension Mechanism to cover the successful applicants under the new CIES.

Under the new CIES, Invest Hong Kong will be responsible for assessing whether the applications fulfil the net asset and investment requirements, and the Immigration Department will be responsible for assessing the applications for visa/entry permits, extensions of stay, etc. The Government aims to officially launch the new CIES and invite applications in mid-2024.

By way of background, I and the Board of Trustees decided to relocate to the Primary Tax Jurisdiction of Hong Kong on the 18th of May 2016 at which time I commenced issuing Assets against the Admission of Liability of the Crown. I was prevented from departing Australia at Sydney's Sir Kingsford Smith International Airport on the 12th of September 2016. I delivered an asset for Banking with Hang Seng Bank of USD\$2,000,000,000.00 (Two Billion United States Dollars) February 2017 however that Bank appeared to be

unwilling to deal with Paper Assets for dematerialisation in accordance with the duty of the Paying Bank, I do not know and cannot say if the Australian Government interfered with those processes prior to the passage of *the National Security Law 2020* (NPC) (NPCSC) and related ordinance.

The evidence on the permissive standard of proof being that of “credible evidence” and/or “reasonable grounds to suspect” suggests that the Australian Government did interfere.

The Crown commenced proceedings in the Adelaide Magistrates Court AMC-5575-2018; *Australian Taxation Office (Informant) v Andrew Morton Garrett* on the 23rd March 2018 seeking to prevent me from drawing assets (UNCITRAL International Bills of Exchange and/or Depository Transfer Cash Bank Cheques) against the Primary Tax Account of the Andrew Garrett Family Irrevocable Living Trust trading as OenoViva Capital Resources held with the Reserve Bank of Australia (Liquidator and Managing Controller Appointed).

I had previously written on the 6th November 2021 to the Australian Parliament and my Local Member **AMG 4118** ([attached](#)) regarding the abject failure of lawyers and judiciary in Australia to properly apply the law, rules of evidence and principles of separation of powers on the principle that I was extremely dissatisfied with the conduct of Scott Morrison denigrating China when Australia’s own house was not in order.

On the 11th of November 2022 I commenced enforcement proceedings in the Court of the First Instance of the High Court of Hong Kong as “the Main Proceedings” within the meaning of *the Cross Border Insolvency Act 2008* (AU) which was given case reference HCMP-1855-2022; *IN THE MATTER OF THE CROWN (LIQUIDATOR AND MANAGING CONTROLLER APPOINTED)*.

On the 1st of January 2023 I sacked counsel representing me for failing to act as instructed, Champerty, Maintenance, Barratry, Criminal Defamation and Criminal Trespass on equitable estates related to me, subsequently I was again prevented from departing Australia for Singapore and Hong Kong on the 8th of March 2023 at Adelaide International Airport.

The Crown abandoned that case on the 29th of July 2024; 6 years and three months after commencement and an order of “**nolle prosequi**” was published by that court.

The Director General of Investment Promotion and the Director of Immigration are each entitled to rely on that order as judgment of a foreign court in which regard I refer to:

- **AMG 9191** DCCRM-0073-2019; NSD-741-2023 Authenticated Affidavit 13th March 2023 (attached)
- **AMG 9193** DCCRM-0073-2019; Authenticated Copy of Order of Nolle Prosequi. (attached)

This created Res Judicate, Common Law, Equitable, Contractual, Promissory Collateral Issue Estoppel such that my balance sheet disclosed to the Australian Commissioner of Taxation in my Year Ending 30th June 2022 Income Tax Return as M1 Cash could not be contested, requesting a CPA to go behind that Judgment Debt would of course be impermissible but remains an impossibility because of the scale of the admissions and acquiescence of the Crown.

My own undisputed hereditary discretionary public powers are briefly described in my uncontested affidavit dated 13th March 2023 now produced and marked as **AMG 9191**.

Please also note attached Faxed List of Documents served on the Honourable Court of the First Instance of the High Court of Hong Kong on the 3rd of July 2023.

It is my sincere hope that the Government of Hong Kong SAR will recognise the private funding available to operate the courts disclosed in AMG 9510 headquartered in Hong Kong.....the Courts if the Crown are in chaos.

Dear Mr Garrett,

I refer to your email of 5 May 2026 to the Chief Secretary for Administration. I am authorized to give you a substantive reply.

2. The New Capital Investment Entrant Scheme (hereafter as “New CIES”) has been launched since March 2024. Under the new CIES, Invest Hong Kong (hereafter as “InvestHK”) will be responsible for assessing whether the applications fulfil the net asset and investment requirements, and the Immigration Department (hereafter as “ImmD”) will be responsible for assessing the applications for visa/entry permits, extensions of stay, etc. For more information, please browse the press release concerned at <https://www.info.gov.hk/gia/general/202312/19/P2023121900385.htm>.

3. In accordance with the Scheme Rules of New CIES, before an applicant submits an entry application for visa/ permit under the New CIES to ImmD, he/she is required to first approach InvestHK for verifying whether he/she has fulfilled the Net Asset Requirement. After InvestHK has verified and notified the applicant that he/she has fulfilled the Net Asset Requirement, InvestHK will issue a “Certifying Proof for Fulfillment of Net Asset Requirement” to the applicant. The applicant is then required to submit an entry application to ImmD within the validity period of the Certifying Proof for Fulfillment of Net Asset Requirement. If Approval-in-Principle is given after assessment from the immigration perspectives, ImmD will grant a visa/entry permit to the applicant for entering Hong Kong on visitor status for not more than 180 days for making the committed investment within the period.

4. Upon the applicant’s completion of the committed investment within the specified investment timeframe, an applicant is required to approach InvestHK for verifying whether he/she has fulfilled the Investment Requirements. Upon InvestHK’s verification that the applicant has fulfilled the Investment Requirements, InvestHK will issue a “Certifying Proof for Fulfillment of Investment Requirements” to the applicant. The applicant is required to provide the “Certifying Proof for Fulfillment of Investment Requirements” within its validity period to ImmD, which will in turn resume making assessment on

the applicant's entry application. Upon formal approval, permission to stay will normally be granted to the applicant and his/her dependants (if any) for not more than 24 months on time limitation only, subject to the condition that the applicant continues to satisfy the requirements of the Scheme throughout this period. For more details, please refer to the Scheme Rules concerned at <https://www.newcies.gov.hk/media/jvkfl4uq/scheme-rule-en.pdf>.

5. As per your letter of 1 May 2026 to the Director of Immigration, ImmD noticed that you have submitted an application of New CIES to InvestHK under reference IHK0010JMKT9T09 and InvestHK has notified you on 20 April 2026 that your application concerned was invalid. As such, it is believed that InvestHK has not issued you with a "Certifying Proof for Fulfillment of Net Asset Requirement".

6. Please be informed that ImmD is not a competent position to comment on the decision made by InvestHK. In other words, your application concerned is still under processing (or has been processed but not success) by InvestHK counterpart and hence ImmD is not possible to conduct an assessment/review on your case concerned in accordance with the laid down policy and ordinances at this stage.

7. Anyhow, your case concerned has been referred to InvestHK on 4 May 2026 for consideration of necessary action(s). Please submit your application of New CIES for commencement of assessment by ImmD once "Certifying Proof for Fulfillment of Net Asset Requirement" issued by InvestHK has been secured. To facilitate you have a more information about the New CIES, please browse the website of InvestHK at <https://www.newcies.gov.hk/en/application-procedures/overview/>.

8. Thank you for your email and I hope you find our reply informative.

The Chief Secretary for Administration,
for Director of Immigration
Government of Hong Kong SAR

Dear Sir/Madame,

I have interpreted the Communique reference IL/00263154/26 (copied below) to be a refusal to respond to the questions raised in my Letter marked AMG 9552 dated 01.05.2026, a copy of which is attached, the Department's initial response reference IL/00260048/26 was a referral decision which was not unreasonable relating to the operation of s53 of the Immigration Ordinance (Cap 115) in respect to Review of the two decisions made under Immigration Ordinance (Cap 115) referred to in AMG 9552.

The material part of **section 53 of the Immigration Ordinance (Cap. 115)** is this:

“53. Review of decisions of public officers”

“(1) Subject to subsection (8), any person aggrieved by a decision, act or omission of any public officer taken, done or made in the exercise or performance of any powers, functions or duties under this Ordinance may by notice in writing lodged with the Chief Secretary for Administration within the time prescribed in subsection (2) object to that decision, act or omission.”

The review timing is commonly described as **within 14 days** of the decision. That 14-day period is reflected in secondary summaries discussing section 53 review under Cap. 115.

Application of s53 Deemed Refusal Decision

I would be most grateful if you could provide the reasons for the decision reference IL/00263154/26 made by the decision maker and consider this communication as an application for review of that decision on the grounds that the evidence shows that the Office of the New CIES representing InvestHK has already made two decisions and that referral back to InvestHK is inconsistent with the enabling legislation.

FOI Application

Please also consider this communique as an application in writing for a copy of all documents and things in your possession and control related to the decisions made by the Office of New CIES for InvestHK and your decision maker decisions reference IL/00260048/26_ IL/00263154/26.
